FINANCIAL SERVICES ORGANIZATIONS THAT USE A VMS

A BEST-IN-CLASS VMS...

- ✓ Provides centralized, end-to-end visibility into your global contingent workforce
- ✓ Delivers quick access to skilled, vetted, cost-effective Financial Services talent
- ✓ Mitigates legal, operational, financial, regulatory and corporate governance risk with rigorous controls throughout the contingent workforce lifecycle
- ✓ Helps ensure SOW projects are contracted strategically and delivered on time and on budget
- ✓ Increases your program and contingent workforce ROI through best practices, new efficiencies and cost savings

HOW TO CHOOSE THE RIGHT VMS

RED FLAGS TO AVOID WHEN SELECTING A VMS

- ✗ ERP vendors without CWM expertise
- ✗ Solutions that lack proven technology integrations
- ✗ Subsidiaries that function as enablers rather than innovators
- ✗ Inflexible pricing and inadequate support
- ✗ Rigid implementation teams
